v.

LABELTEX S.R.L.

Applicant

Opposition No. 91161944

07-06-2007

U.S. Patent & TMO/TM Mail Rcpt Dt. #72

**CONSENTED MOTION FOR ADDITIONAL EXTENSION OF TIME**

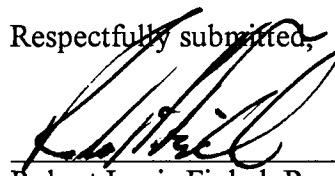

Opposer hereby moves that the date for the close of the Discovery Period, presently 16 July 2007, be extended to and including 28 August 2007, and that the trial dates be reset as follows:

	<u>Date Presently Set</u>	<u>Reset Date</u>
Discovery period to close	16 July 2007	28 August 2007
Testimony period for party in position of plaintiff (opening thirty days prior thereto)	14 October 2007	26 November 2007
Testimony period for party in position of defendant (opening thirty days prior thereto)	13 December 2007	25 January 2008
Rebuttal testimony period for party in position of plaintiff (opening fifteen days prior thereto)	27 January 2008	10 March 2008

This Motion is not made for improper purposes or to delay the proceedings unreasonably. Both parties have served discovery requests and responses thereto and contemplate taking additional

discovery in support of their respective contentions and defenses. Applicant has moved for a 30 day extension of the time within which it may respond to Opposer's second set of interrogatories and third request for production. Opposer does not object to the requested extension, but anticipates the need for time in which to review Applicant's contemplated interrogatory answers and documents, request the production of further answers and documents, and carry on discovery responsive to Applicant's submissions. The present discovery cut-off date, 16 July 2007, must be extended. Applicant's counsel has consented to the requested extension.

Respectfully submitted,

---
